How to Buy an Engagement Ring?

Since your engagement ring represents your ultimate promise and marks one of life's most significant experiences it's appropriate that this be a meaningful investment. This should not be confused, however, with having to clean out your bank account to make a statement.

Many women today want a larger looking engagement ring. There are technologically advanced diamond cuts (such as L'Amour Crisscut) that provide a larger silhouette size over traditional "old-school/generic" cuts. Halo styling, where the center diamond is surrounded by a frame of other diamonds has also become popular as it gives the ring a larger look. Additionally, colored gemstones, often at less cost than a diamond, are gaining popularity with someone who wants a larger ring. Read More:- [How to Buy an Engagement Ring](#)
